20-32334 YANT

The Debtors have provided for the Trustee to disburse bi-annual real estate tax payments to the Darke County Treasurer. The Trustee submits that he cannot administer 6 month bi-annual payments. The Debtors must provide a monthly real estate tax payment in order for the Trustee to pay.

The changes in the third amended plan are not properly highlighted. It appears that all of the highlighting from the second amended plan has been carried over into the third amended. Only information added to or deleted from the second amended plan should have been highlighted in the third amended plan. The failure to highlight changes, or highlighting sections that are not changed create an administrative inconvenience for parties and the Court.

The Debtors failed to highlight any of the changes from the second amended plan. Any information added to or deleted from the second amended plan should be highlighted in the third amended plan. The failure to highlight changes, or highlighting sections that are not changed create an administrative inconvenience for parties and the Court.
